

ENGLISH PROTEST  
AGAINST SENTENCE

Miss Malecka Convicted in  
Russia on Charge of Be-  
ing Revolutionist.

WARSAW, May 11.—Miss Malecka, a Polish woman, was sentenced to years' penal servitude on a charge of being affiliated with the revolutionists.

LONDON, May 11.—The Liberal newspapers protest strongly against the sentencing of Miss Malecka, who was convicted on the evidence of a British foreign office take action against Russia in behalf of Malecka.

Malecka was arrested July 4, charged with complicity in plots against the Polish revolutionists. The British office made representations to the Polish government that although Malecka's mother was English her father was a Pole, naturalized in England, the father never received permission to change nationality. Therefore in accordance with the British law his nationality was ineffective and his mother was a Russian subject.

Selling day-old chicks from beautiful single comb Rhode Red hens at the small sum of 10 cents each. They are cheap at \$1.00 for they are bred to lay. Remember, it is not the breed of chicken that pays, it is the strain. I have been breeding strains. I have been breeding 14 years for utility. They all lay record of 240 eggs per year. They lay when 4 1/2 months old. 100 left this state last year for eggs and the Rocky mountain is the healthiest country in the world to raise chickens. The time approaching when we will be able to furnish the rest of the States with healthy breeding. There is more money in one chicken than in 200 acres of corn. If it wasn't for the people on the lot we would have a famine of eggs and poultry nine months ago. We ought to have more eggs engaged in it. The poorest people throw away every day a dozen chickens. I have seen them buy all the time keeping from selling eggs which are not for consumption. There is more money in one dozen of fresh eggs than in three pounds of meat. This is the time of the year to raise chickens. I am hatching 2100 chicks every day. Send in your orders at once. I have eggs for sale. They are \$2.50 per 15 from 2 to 9. From No. 3 to 9. I have prize winners. I have 10 and 11 months old; they are from \$3.75 to \$5.00. They are from \$3.75 to \$5.00. They are from \$3.75 to \$5.00.

## Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at Schramm-Johnson, Drugs, 5 Stores.

## SUICIDE HABIT MADE GROUND FOR DIVORCE

SAN FRANCISCO, May 11.—Harry Pratt was granted a divorce here yesterday because his wife had a habit of trying to commit suicide. "Upon the slightest provocation," explained Pratt, "my wife would attempt to cut her throat, slash her wrists or take poison. She made me a nervous wreck."

It was shown during the hearing that Pratt was in the habit of spending many evenings in reading newspapers. "Don't you think it would be much better to read aloud?" asked the court. "Too many men are in the habit of burying their faces in newspapers hour after hour. Women in these days of suffrage are just as anxious to know what is in the newspapers as their husbands are."
